

# Elm Street Sportsman Association

Greetings!

The Elm Street Sportsman Association (ESSA) would like to extend an invitation to your business/organization to join us as we present our first Black Business Expo on February 15, 2020. Please consider partnering with us to inform our community of the various Black owned businesses within our community and surrounding areas.

Our organization was founded in 2014, ESSA has improved and contributed to a better quality of life for hundreds of children and their families. ESSA is committed to helping plan for the future, thus creating a better quality of life for all. ESSA is a 501(c) (3) not-for-profit organization.

Elm Street Sportsman Association's first Black Business Expo will be held in Fernandina Beach, FL at the Peck Center Gymnasium. With this event we are proud to introduce and showcase Black owned businesses within the community and surrounding areas. The Black Business Expo will be a time for Black Entrepreneurs to display their goods and share expert knowledge for their particular product. This is an excellent opportunity to promote your business while also expanding your vision.

The month of February is nationally known as Black History Month and is an annual celebration of achievements by African Americans while also recognizing the central role of blacks in United States history. Therefore, we find it appropriate for this thrilling event to take place during the month of February.

We are excited for this upcoming event and the vendors that will participate. We look forward to you becoming a community partner with the Elm Street Sportsman Association.

---
